

Greetings Mark =

Thanks for your recent letter. Your Aviation Youth Program letter is very impressive. The reward on the second paragraph is also very appropriate. Your joining some wonderful education with your approach. I wish you all the success!!! If you don't mind, I'll incorporate your program into my presentations where appropriate. I really enjoy mentioning youth activity programs that are well run & thought-out.

P.S. Thanks for the comments on the tapes! I appreciate it very much!

Sincerely  
Bob Machado
